It was lovely to see all the new and familiar faces returning last week. The children all look very smart in their uniforms and all staff have been very impressed with their behaviour. We would all like to say a massive welcome to all of our new children.

Our staffing has also changed slightly with Miss Fumagalli joining us from Flax Hill to teach Year 2. Miss Wellings is new to Lark Hall and is teaching the Reception class.

Attendance

We are committed to promoting excellent attendance and are asking for your support with this. It is vitally important that children are in school, as a missed day means missed learning. Each week the class with the highest attendance will receive the attendance trophy. Last weeks winners were the Swifts class with 98% attendance. This week's winner is also the Swifts class with 98% attendance. Well done.

Reading

In the next few weeks we will be introducing these brilliant reading badges. Children will receive these badges after reading a specified number of books. More details to follow soon!

New Class Parent Meetings

Parents are invited to attend a short informal meeting with their child's class teacher next week. This will be an opportunity for the teacher to talk about the expectations and routines specific to their year group. We hope you can attend.

Meetings are as follows:

- Monday 18th 2.40pm - Year Two
- Tuesday 19th 2.40pm - Reception
- Wednesday 20th 2.40pm - Year One
- Monday 25th 11.40am - Pre-School/Nursery

We are slightly changing the way books are changed this year. We ask that children bring in their book bags every day and books will be changed during the week. Nursery and Pre School books will be changed on a Tuesday. Thank you for your continued support with this.

New Mobile Phones

If you have had a new mobile phone over the holidays please let someone in the office know your new number. It is vitally important that our records are up to date.

Reminders

Please make sure that your child only brings items that are named into school. This includes lunch boxes, school clothes, shoes, PE kits, bags and purses. We understand that young children do not always remember where they put things and it is much easier to find a lost item if it is clearly labelled. Thank you.
