*Everyone is valued and shares responsibility for the
challenging learning that takes place .*

EYFS Coordinator: Miss Wellings

September 2017

Welcome

The Early Years team at Lark Hall would like to say a massive welcome to all of our new children. We have really enjoyed meeting your child and look forward to developing a strong partnership with them and you as parents. We would also like to say welcome back to all the children who have now moved onto Nursery or Reception education. We have had a lovely first few weeks and all of the staff are really impressed with the children's readiness to learn. We are looking forward to making some amazing memories together.

welcome!

Reading

Pre School and Nursery - Book bags will stay at school on a **Tuesday night**. New story books and diaries will be sent home to share on a Tuesday. Children will also receive reading books when they are ready. Books will only be changed on a Monday if your child's reading diary has a written comment in it. Please come and chat to us if your child only attends a few days a week so that we can set up an arrangement that suits you.

Reception - Please bring your book bags into school every day. Children will have chance to share their books with an adult and have their books changed throughout the week. Please spend a short amount of time each evening sharing your child's book together. Your child will also have key sounds and words to learn at home. If you have any questions about reading please see Miss Wellings or Mrs Fritz in the first instance.

Learning Journeys

Your children's learning journeys and other learning books are regularly put outside the classrooms to give you the chance to see and comment on some of the learning that is taking place. The children are undertaking a wide range of learning activities throughout their day and these journals are just a small reflection of this. A prize is given each month to a parent who makes a comment about their child's learning on a heart post it note. You are the most important person in your child's life and we really value and appreciate your comments.

Please help

The children all look really smart in their new uniforms, so can you please help us by ensuring everything your child brings into school is named. We have already had quite a few un-named jumpers and cardigans in EYFS. Please note if you label your child's clothes with a pen it does disappear after a wash or two. If your child comes home with the wrong uniform then please bring it back into school so that we can reunite it with its correct owner.
