Our topics

In Nursery and Pre School we are learning all about Toys. In Reception we are learning all about Celebrations and Winter. Keep checking the website and your child's classroom door for more information about what we are learning about each week. This will also include a topic for you to discuss with your child. If you have any books at home which link to our topics then please feel free to send them in with your child.

Christmas

In December the Pre School/Nursery children and Reception children will be undertaking a range of Christmas themed activities. The children will also be preparing for our school Christmas production. If you have any concerns about this, then please talk to your child's class teacher. Letters about your child's costumes have been sent out but if you require any further support then please speak to a member of staff.

Christmas Crafts

All parents will be invited to make a Christmas craft project with their child on the 1st December from 9.15am.

Caught reading challenge

Keep sending in your 'caught reading' photographs. Please send in photographs of your child reading at home to add to our display in the entrance hall.

Nursery/Pre School Chatter Boxes

Thank you to everyone who has made a chatter box so far. It has been lovely to hear the children talk about their interests so confidently. If you haven't had chance to send in a chatter box yet then don't worry. There is still time for you to send one in.

Learning journey's/ Learning books

Thank you for making comments in your child's learning books. The winners for a box of chocolates for this months comments are:-

Pre-School/Nursery - Alana

Reception - Luke A

It's getting colder

As the weather gets colder then please make sure your child has appropriate clothes for outdoor learning. This may include a thick, waterproof coat, hat, gloves and appropriate footwear. Please make sure that all items of clothing are named. Thank you.
