

# Lark Hall Infant and Nursery Academy

## EYFS Newsletter - Autumn 2, 2024

Mrs Hartin, Mrs Cowling, Mrs Brackley

### Message from the teachers:

#### Superb Work!

We hope that you are as proud of your children as we are! They are a credit to yourselves and Lark Hall. We are particularly impressed with their great behaviour and attitude to learning.

#### Pre School and Reception admissions

Reception admissions are now open via the Staffordshire website. If you would like to look around the school or know some one who is interested in joining Lark Hall please contact the school office. We also have spaces in our Pre School so please spread the word about our lovely school.

#### Suggested Home Learning Activities

Reading is a massive part of children's education and it is vital we support children to read as soon as possible. Please try to find time to share books with your children everyday and let them see you reading! Pre school continues to have a library day every Wednesday where they can choose a book to take home and share with you. Reception children have their shared reading session with adults 9:00—9:30 every week. Parents/ Grandparents or other close relatives can come along and see what your child has achieved in reading that week. They can also choose a library book to take home.

### This term we are learning:

During this half term, the EYFS children will be covering a range of exciting topics. In Pre School these will include Firework Safety, Space and Christmas. The Pre School children will also be celebrating nursery rhyme week so please keep practising those nursery rhymes.

In Reception, children will be learning about "Time to Celebrate." This will include work on Traditions, Diwali, Bonfire night and Christmas. During this work the thread of "light and Dark" will be explored in more depth.

The children really enjoyed their last forest session/welly walk and we will continue with exciting outdoor learning this term. Mrs Walters is teaching the Reception children music on Wednesdays. She is already impressed with musical talents.

#### Uniform swap

Don't forget we do have some spare uniform if your child has had a growth spurt. We will also happily receive any uniform that your child no longer needs so we can pass it onto another family. Thank you for your support with this.

#### Pre school proud clouds / Reception leaves

If your child completes something at home that you are pleased with please write it on a proud cloud or Reception leaf and we can celebrate their success at school.

**Important: Please bring in a named water bottle everyday.**
